

4105.4 Part V - SNF Reporting of Direct Care Expenditures.--Section 6104(1) of Public Law 111-148 amended section 1888(f) of the Social Security Act ("Reporting of Direct Care Expenditures"), to require Skilled Nursing Facilities (SNF) to separately report expenditures for wages and benefits for direct care staff (breaking out (at a minimum) registered nurses, licensed professional nurses, certified nurse assistants, and other medical and therapy staff).

Effective for cost reporting periods beginning on or after January 1, 2012, this part provides for the collection of SNF and/or Nursing Facilities (NF) direct care expenditures. Complete this form for employees who are full-time and part-time, directly hired, and acquired under contract. Do not include employees in areas excluded from SNF PPS via Worksheet S-3, Part II, Lines 7 through 11. This exclusion applies to directly-hired and contracted employees who provided either direct or indirect patient care services in SNF PPS excluded areas. Do not include employees whose services are excluded from the SNF PPS, such as physician Part B, and nursing and allied health. This form is completed by the SNFs and/or the NFs.

Column 1.--Enter the total of paid wages and salaries for the specified category of SNF/NF employees including overtime, vacation, holiday, sick, lunch, and other paid-time-off, severance, and bonuses on lines 1 through 3 and 5 through 13. Do not include fringe benefits or wage-related costs as defined in §4105.1.

Enter the amount paid (include only those costs attributable to services rendered in the SNF/NF), rounded to the nearest dollar, for contracted direct patient care services on lines 14 through 16 and 18 through 26.

Column 2.--Enter the appropriate portion of fringe benefits corresponding to paid wages and salaries reported in column 1, lines 1 through 3, and 5 through 13.

Column 3.--Enter the result of column 1 plus column 2.

Column 4.--Enter on each line the number of paid hours corresponding to the amount reported in column 3.

Column 5.--Enter on each line the average hourly wage resulting from dividing column 3 by column 4.

Line 4.--Enter the sum of the amounts of lines 1 through 3.

Line 17.--Enter the sum of the amounts of lines 14 through 16.

For Medicare cost reporting purposes, nursing personnel working in the following cost centers must be included in the appropriate nursing subcategory. These cost centers reflect where the majority of nursing employees are assigned in SNFs and are selected to ensure consistent reporting among SNFs. The wages and hours for nursing personnel working in other areas of the SNF or nurses who are performing solely administrative functions, should not be included.

Definitions

Paid Salaries, Paid Hours and Wage Related Costs:

- Paid Salaries – Include the total of paid wages and salaries for the specified category of SNF employees including overtime, vacation, holiday, sick, lunch, and other paid-time-off, severance, and bonuses.
- Paid Hours – Include the total paid hours for the specified category of SNF employees. Paid hours include regular hours, overtime hours, paid holiday, vacation, sick, and other paid-time-off hours, and hours associated with severance pay. Do not include non-paid lunch periods and on-call hours in the total paid hours. Overtime hours must be calculated as one hour when an employee is paid time and a half. No hours are required for bonus pay. The hours reported for salaried employees who are paid a fixed rate must be recorded based on 40 hours per week or the number of hours in the SNF's standard workweek.
- Wage Related Costs –Include wage related costs applicable to the specific category of SNF employees as reported in §4105.1, lines 17, 18 and 21.

Nursing Occupations

- Registered Nurses (RNs) - Assess patient health problems and needs, develop and implement nursing care plans, and maintain medical records. Administer nursing care to ill, injured, convalescent, or disabled patients. May advise patients on health maintenance and disease prevention or provide case management. Licensing or registration required.
- Licensed Practical Nurses (LPNs) - Care for ill, injured, convalescent, or disabled persons. LPNs monitor patients' health, administer basic nursing care, including changing bandages and inserting catheters, discuss health care with patients and listen to their concerns, report patients' status to RNs and physicians and maintain medical records. LPNs may work under the supervision of a registered nurse. More experienced LPNs may supervise nursing assistants and aides. Licensing is required after the completion of a State-approved practical nursing program.
- Certified Nursing Assistants/Aides - Provide basic patient care under direction of nursing staff. Perform duties, such as taking vital signs, feeding, bathing, dressing, grooming, moving patients, or changing linens.

Other Medical Staff

Non-nursing employees (directly hired and under contract) that provide direct patient care. Do not include employees in excluded areas or that function solely in administrative or leadership roles that do not provide any direct patient care themselves. This category must not include occupations such as physician Part B services and the services of Advance Practice Nurses (APNs) such as nurse practitioners, clinical nurse specialists, certified nurse midwives, and certified registered nurse anesthetists that are billable under a Part B fee schedule.
